

The Steel Pipes Factory

Price for Stainless Steel Pipes in India, Stainless Steel Seamless Pipe Prices, Stainless Steel Welded Pipe Prices in India - 17 December 2018

The Steel Pipes Factory

- We are pleased to provide you with the latest updated price list for stainless steel pipes, as on 17th December 2018. Metallica is one of the largest manufacturer and stock holding company for stainless steel seamless pipes in India, with size range of 1/2" NB to 24". With over 700 tons of ready stock in stainless steel seamless and welded pipes, we can offer customers with same day delivery of any size and any volume pipes. All our products are Mill certified, and accompanied with Test Certificates, as per EN 10204 3.1.
- If you are looking for estimated **stainless steel seamless and welded pipes prices**, please refer the below table. We offer the most competitive prices in the Industry. If you need to refer to the per meter price of the pipes, kindly calculate the weight of pipes and multiply it by the cost per KG as below.
- Metallica has a **daily sales volume of 20-30 MT's of stainless steel pipes** from its warehouses in Mumbai & Chennai. We can offer Mill production quantities at the most competitive prices. We believe in increasing our customer base, and maintaining our focus on volume, as a result of which we are able to give the **lowest and most competitive prices** to our customers.

Seamless Pipes Suppliers

The Steel Pipes Factory

About The Steel Pipes Factory, By Metallica

Established in 1975, the Metallica Metals Group has its operations spread across major cities in India. We are a pioneer in the stainless steel pipes, carbon steel pipes and alloy steel pipes manufacturing and processing industry. Our products are exported to over 70 countries across the world, while in India we have supplies to even the remote areas. With over 250 tons of sale in stainless steel and carbon steel pipes every day, Metallica has emerged as a prominent vendor for many buyers in India and Overseas.

We procure significant quantities of materials from Indian carbon steel pipe mills and overseas manufacturers of stainless steel pipes. Given our extensive network for sourcing the best quality goods at most competitive prices, we are a preferred seller of steel products for various turnkey project in India and Worldwide.

Our annual sales volume over 70,000 tonnes in India and Worldwide, has won us the dealership and distributorship of renowned seamless (JINDAL, ISMT) and welded steel pipes manufacturing companies across the globe.

With a team of over 50 people dedicated for deliveries and response to our esteemed customers, we can offer the best service. At the same time, we are also committed to offer best quality products and most competitive prices to our customers. We are professional manufacturer and supplier of stainless steel seamless pipes, with exports all across the globe.
